# INVITATION

As we turn back pages of our life we see attended lectures, missed classes, canteens, results, failures, success, friendship and much more. But there is one factor which is associated to all these - "We"

It is with great pleasure that we inform and invite you to the first Alumni Meet for the batch of 2008.

NITC CSEA presents to you Revoir'14 on  
4<sup>th</sup> & 5<sup>th</sup> April, 2014

to reminisce on the old times and catch up with your old friends giving you an opportunity to relive the best memories of your life.

Mark your calendars, and spread the word to all your batchmates.

Come bring your "college self" and remind us of the Good old days.

-Team CSED
